Pediatric Nephrology

# 14TH ANNUAL MULTIDISCIPLINARY SYMPOSIUM

## Save the Date:

**Virtual**

## NOVEMBER 12-13, 2026

Join colleagues and experts from across the field for two days of collaboration, insight, and innovation in Pediatric Nephrology care.

Whether you're a **Nurse**, **Social Worker**, **Dietitian**, Child Life Specialist, **Psychologist**, or part of a Pediatric Nephrology team, this is your space to **connect, learn, and be inspired.**

## 14th ASPN Multidisciplinary Symposium

We are pleased to announce the 14th Annual Meeting, November 12-13, 2026. This will be a fully virtual meeting again this year. Attendees are primarily, nurses, social workers and dietitians. We had attendance of close to 150 with our virtual version of this meeting last year as these are groups that don't typically have travel budgets.

Meeting sponsorships are available for this popular event. We have finalized the program for our November Multidisciplinary Symposium. Information is available here on the program and sponsorship opportunities. I would be happy to discuss custom sponsorship packages to help you meet your goals.

Please contact [Connie Mackay](#) if you have any questions.
